Dear readers,

I would like to take this time to address the issues that came to light in recent weeks regarding certain statements I had made. What I posted was ignorant and insensitive and I would like to extend my sincerest apologies for it.

I would like to clarify that I have nothing against any ethnic group, social movement or the LGBT community.
I hope you can forgive me.

I will learn from this experience and try to turn it into something positive going forward. I wish to make comics that entertain everyone and I want no one to feel unwelcome.

Sincerely,
Affected Mind
